Easter Weekend

Wildflower Walk

Upcoming Events

Easter Weekend

We have a full weekend at Dumont Hill this weekend! Several JROTC platoons from the surrounding area will be participating in an Orienteering Meet Saturday morning. Orienteering is a sport that combines map reading, compass skills and a race component. We will start our Orienteering Egg Hunt for kids age 10 to 18 at 1 p.m. The folks with Orienteering Louisville will provide the compasses and maps, so participants only need a basket or bag to collect their eggs at each control point.

We are trying to introduce orienteering to Allen County, so all participants will receive an Easter goody bag regardless of their time for completion.

Additionally, our traditional Easter Egg Hunt registration will start at 1 p.m. Participants will be divided into groups walkers through age 3, 4 through 6, 7 through 8, and 9 through 10. All participants will receive a goody bag. Three prize eggs are included per age group the hunters who retrieve them will receive a premium cinch sack full of books and toys. We will also be giving away two grand prizes that include a two-pound chocolate Easter bunny and an Orb Odditeez Slimiball. Stay up to date on upcoming events through our social media pages or website!

Wildflower Walk

With the arrival of spring, our wildflowers are in full bloom throughout the park! Several ACSHS students have been identifying and posting wildflowers, trees and insects on iNaturalist. You can access iNaturalist online or by downloading their app to your device. You can upload your picture and other users will help with identification if necessary. We hope to create a good network of the flora and fauna throughout the park to help guide users to a more fulfilling walk or hike. Additional informational signage regarding wildflowers and fauna are found on our nature trail if you want an unplugged experience.

Upcoming Events

We are currently filling our calendar with additional events throughout the summer. Concert details for May 25th will be released soon, so stay tuned to our social media pages and website for full details! We will be bringing back movie night this year. On May 31st, our movie night will be followed with a campout in the park. Other movie nights are June 22nd for the teens and adults, and September 21st for the full family. Another combination movie night will take place on October 19th with a family friendly Halloween film and other festivities.
